Dear Portland Pudgy owner,

Congratulations on choosing this versatile and innovative boat! We're convinced that the Pudgy attracts people who think outside the box, and who know that they and their family, friends, and crew deserve the best.

We hope you have fun and stay safe with your Portland Pudgy!

Sincerely,

A handwritten signature in black ink, appearing to read "D. Hulbert", with a long horizontal line extending to the right.

David Hulbert,
President

ABOUT THE PORTLAND PUDGY MANUAL

The Portland Pudgy safety dinghy is a multifunction boat with a range of optional equipment systems available. The basic boat and each of the optional systems is documented in this manual. In addition, the *Introduction* gives some tips on optimum use of your Pudgy. Read your owner's manual carefully, as it suggests how to use each system optimally and safely.

List of Chapters

The Portland Pudgy systems are described in separate chapters in the following order.

1. Introduction
2. Basic Boat
3. Sail Kit
4. Exposure Canopy. (Also contains general information about using the Pudgy in an emergency.)
5. Para-Anchor
6. Boarding Ladder/Fender (MFC)
7. Electrical System
8. Bailing Pump
9. Boat Cover
10. Davit Harness
11. Swim Platform Davits
12. Glossary
